Race 1

Gareth's Conquest non runner

D mc Ateer drives no 4 Louis Vuitton

No issues

Race 2

All go, no changes

Inspire Me and Franchan De Conne unplaced due to exceeding the maximum strides in a break

No other issues

Race 3

All go ,no changes

Anglesey Dusk pulled up at the the start couldn't get him to keep in his gait

No other issues

Race 4

All go

Philip Gillian drives Innis And Gunn

P Kane drives Gentleman Coglais

It wasn't until after the race was finished and the result called that the the stewards were made aware that M Hamilton standing down and putting P Kane up to drive gave this horse an advantage in his handicap mark as he had already been given a 10 yard drop due to having a c class driver down to drive . This had been overlooked by the stewards at the time of the race and therefore no action could be taken .

Race 5

All go no changes

It will have to be made clear to all drivers from now on if the race is whip free this will include warming up ,NO WHIPS WILL BE ALLOWED at any point of the race . A Corey, M Loughran and J Richardson were all fineness a warning for having a whip during warm up before the horses went behind the gate .

No other issues reported
